Local SEO Expert – Chicago, IL

Description

Job Title: Remote SEO Specialist

Location: Remote

Job Type: Freelance (choose as applicable)

Company: Rank Higher Online

About Us:

Rank Higher Online is a leading online marketing agency specializing in SEO and online visibility strategies. Our mission is to help businesses of all sizes enhance their online presence, drive organic traffic, and achieve higher rankings in search engine results. With a team of dedicated experts, we are committed to delivering remarkable results for our clients by staying at the forefront of SEO trends and technologies.

Job Description:

Overview:

We are seeking a highly motivated and experienced Remote SEO Specialist to join our team. In this role, you will be responsible for enhancing our online content and increasing our customer's search engine rankings. The ideal candidate should have a deep understanding of SEO best practices, keyword research, and analytics.

Key Responsibilities:

Keyword Research: Conduct comprehensive keyword research to identify target keywords and phrases relevant to our industry and target audience.

On-Page Optimization: Enhance website content, including meta tags, headings, and images, to improve search engine rankings.

Off-Page Optimization: Build high-quality backlinks through backlink strategies, guest posting, and outreach to increase domain authority.

Content Strategy: Collaborate with the content team to create search engine optimized content that aligns with keyword research and best practices.

Technical SEO: Monitor and enhance website performance, including site speed, mobile-friendliness, and overall user experience.

SEO Audits: Conduct regular SEO audits to identify issues and opportunities for improvement.

Analytics: Track and examine website traffic, rankings, and other SEO metrics to
